

>>> Strengthening Families Community Baby Shower

Many new and expecting parents struggle to provide for their families due to financial constraints. This can impact their ability to access basic necessities such as food, housing, and baby supplies, which can impact the health and well-being of their child.

WHAT IS GRANITE UNITED WAY'S COMMUNITY BABY SHOWER?

Granite United Way's Community Baby Shower supports new and expectant parents experiencing economic hardship by equipping them with diapers, wipes, and gift cards to purchase the many necessities that come with children, from birth to 6 months of age.

In addition, we also connect them with valuable maternal and early childhood education and resources in their community

HOW DOES THIS HELP STRENGTHEN OUR COMMUNITY?

Supporting parents who are facing financial or social challenges helps to address social inequality and promote equity.

When parents have access to the resources and support they need, they are better equipped to raise healthy and happy children. This can lead to stronger families, which are the foundation of strong communities.

HOW CAN I HELP SUPPORT MY COMMUNITY?

Our families are most in need of diapers, sizes newborn to 6 months (size 0-3, preferred brand Pampers), and wipes. We are happy to receive diapers beyond size 3, as we know that children grow quickly! Wipes should be unscented or "sensitive" if possible.
