

Day of Caring 2023

How Else Can I Help?

What is Day of Caring?

Day of Caring is a community-wide effort that brings together volunteers and local businesses to provide short-term, project-focused volunteer service to our community's local nonprofit and public organizations.

Who does Day of Caring help?

Day of Caring gives volunteers an opportunity to assist community organizations in achieving their goals, learn more about solutions to community issues, and experience the intrinsic rewards of contributing to the well-being of our region.
